**Enabling
Tenant Voice**

Our Pathway to Success

Supporting people to develop skills, build confidence and achieve brighter futures.

1

Employability

Building confidence, CV writing, job searching and interview skills to help you take the next step.

2

Resilient training

Building resilience, confidence and a positive mindset to overcome challenges.

3

IT skills

Developing digital skills and confidence to support learning and work.

4

First Aid Training

Gaining essential first aid knowledge and skills to keep yourself and others safe.

5

Volunteering

Giving back to the community, gaining experience and building new skills.

6

Work experience

Real workplace experience to build skills, confidence and prepare for employment.

7

Paid employment

Supporting you into sustainable paid employment and brighter futures.

8

Life skills

Building everyday skills for independence, wellbeing and confidence.
